

LOUIS CT. GREEN UPGRADES & PRACTICES

- ☀ **Energy Star rated light fixtures and fans**
- ☀ **Low flow plumbing fixtures**
- ☀ **Flooring made with recycled content**
- ☀ **Energy Star rated furnace and thermostat**
- ☀ **Green Fiber insulation**
- ☀ **Insulation on all accessible hot piping**
- ☀ **Zero and Low VOC paint**
- ☀ **Drought tolerant plants**
- ☀ **Low flow irrigation heads**
- ☀ **Energy Star rated windows**
- ☀ **High efficiency water heater**
- ☀ **Fly ash in concrete**
- ☀ **Recycling of construction debris, and use of regional materials**

GERARD WAY GREEN UPGRADES & PRACTICES

- ☀ **Energy Star rated light fixtures and fans**
- ☀ **Low flow plumbing fixtures**
- ☀ **Flooring made with recycled content**
- ☀ **Energy Star rated furnace and thermostat**
- ☀ **High efficiency cooling system**
- ☀ **Green Fiber insulation**
- ☀ **Insulation on all accessible hot piping**
- ☀ **Zero and Low VOC paint**
- ☀ **Drought tolerant plants**
- ☀ **Low flow irrigation heads**
- ☀ **Energy Star rated windows and patio door**
- ☀ **High efficiency water heater**
- ☀ **Recycling of construction debris, and use of regional materials**

MT. EVEREST DR. GREEN UPGRADES & PRACTICES

- ☀️ **Energy Star rated light fixtures and fans**
- ☀️ **Low flow plumbing fixtures**
- ☀️ **Flooring made with recycled content**
- ☀️ **Energy Star rated furnace and thermostat**
- ☀️ **High efficiency cooling system**
- ☀️ **Green Fiber insulation**
- ☀️ **Zero and Low VOC paint**
- ☀️ **Drought tolerant plants**
- ☀️ **Low flow irrigation heads**
- ☀️ **High efficiency water heater**
- ☀️ **Fly ash in concrete**
- ☀️ **Recycling of construction debris, and use of regional materials**

SAN RAMON WAY GREEN UPGRADES & PRACTICES

- ☀️ **Energy Star rated light fixtures and fans**
- ☀️ **Low flow plumbing fixtures**
- ☀️ **Flooring made with recycled content**
- ☀️ **Energy Star rated furnace and thermostat**
- ☀️ **High efficiency cooling system**
- ☀️ **Green Fiber insulation**
- ☀️ **Zero and Low VOC paint**
- ☀️ **Drought tolerant plants**
- ☀️ **Low flow irrigation heads**
- ☀️ **High efficiency water heater**
- ☀️ **Recycling of construction debris, and use of regional materials**

HURAN DR. GREEN UPGRADES & PRACTICES

- ☀️ **Energy Star rated light fixtures and fans**
- ☀️ **Low flow plumbing fixtures**
- ☀️ **Flooring made with recycled content**
- ☀️ **Green Fiber insulation**
- ☀️ **Zero and Low VOC paint**
- ☀️ **Drought tolerant plants**
- ☀️ **Low flow irrigation heads**
- ☀️ **High efficiency water heater**
- ☀️ **Recycling of construction debris, and use of regional materials**

FLORIDA AVE. GREEN UPGRADES & PRACTICES

- ☀️ **Energy Star rated light fixtures and fans**
- ☀️ **Low flow plumbing fixtures**
- ☀️ **Flooring made with recycled content**
- ☀️ **Energy Star rated furnace and thermostat**
- ☀️ **High efficiency cooling system**
- ☀️ **Green Fiber insulation**
- ☀️ **Zero and Low VOC paint**
- ☀️ **Drought tolerant plants**
- ☀️ **Low flow irrigation heads**
- ☀️ **High efficiency water heater**
- ☀️ **Energy Star rated patio door**
- ☀️ **Recycling of construction debris, and use of regional materials**

BERONA WAY GREEN UPGRADES & PRACTICES

- ☀️ **Energy Star rated light fixtures and fans**
- ☀️ **Low flow plumbing fixtures**

- ☀️ **Flooring made with recycled content**
- ☀️ **Energy Star rated furnace and thermostat**
 - ☀️ **Green Fiber insulation**
 - ☀️ **Zero and Low VOC paint**
 - ☀️ **Drought tolerant plants**
 - ☀️ **Low flow irrigation heads**
- ☀️ **Energy Star rated skylights and patio door**
- ☀️ **Recycling of construction debris, and use of regional materials**
